Sample Vows

Below are examples of wedding vows. There is a mix of romantic, funny, irreverent and formal vows to choose from.

You can either choose your vows together as a couple, or you can choose your vows separately, so they are a surprise to each other on the day. Also, remember you don't have to use these vows exactly as they are written, if you like the feel of several of them let me know and we can take bits and pieces and combine them to make new vows for you.

If you are using the vow questionnaire so Scott and I can help you out with your vows, then let me know if any of these sample vows appeal to you so we can make your vows sound similar, or use a line or two in your vows 😊.

1

I vow to always move your shoes out of the middle of the floor, no matter how many times a day your feet decide to leave them there.

I promise not to spoil the Walking Dead or Game of Thrones for you.

I promise to always listen, even when you ramble.

I promise not to eat your candy stash, even if I do feel like you're taking way too long to bust into it.

I promise to give you the least burnt pieces of bacon.

I vow to always make sure we aren't just hangry before yelling at each other.

I promise to never, ever hide mushrooms in anything. Ever.

I promise to stop answering your question of "Where should we eat?" with the question of "I don't know, where do you want to eat?"

I vow to honour and respect you, and to love you for the rest of our lives.

2

From the moment our paths crossed, you've surprised me, distracted me, captivated me, and challenged me in a way that no human being ever has. I've fallen in love with you again and again, countless times, without reservation, and I still can't believe that today I get to marry my best friend.

I promise to be true to you, to uplift and support you, to frustrate and challenge you, and to share with you the beautiful moments of life. Someday, if the stars align, I might even let you win an argument.

No matter what trials we encounter together or how much time passes, I know that our love will never fade, that we will always find strength in one another, and that we will continue to grow side by side.

I believe in the truth of what we are, and I will love you always, with every beat of my heart.

3

I promise to you these things:

I promise to give you the best of myself.

I promise to trust you and respect you for the person you are. I promise to treat your needs, interests and goals as I do my own.

I promise to grow and change alongside you, to become the people we are meant to be – together.

I promise to share your joy, to bring my joys to you first and to choose joy in our relationship each and every day.

I promise to not only be your partner in life, but your best friend.

Most of all, I promise to love you with my whole heart forever and always.

4

Today I give myself to you. I promise to encourage and inspire you, to laugh with you and to comfort you in times of sorrow and struggle.

I promise to love you in good times and in bad, when life seems easy and when it seems hard, when our love is simple and when it is an effort.

I promise to cherish you, and to always hold you in the highest regard,

These things I give to you today, and all the days of our life.

5

[name] you are my dream come true, you are my world, the joy in my heart and the air that I breathe. Today I take you as my best friend, my partner in my life and my one and only true love.

I promise you my deepest love and my fullest devotion through not only the pressures of the present but also through the uncertainties of the future.

I promise to be forever by your side, to always sleep in your arms and to be forever faithful to you.

I promise that I will always be there for you, when our love is simple and when it is an effort.

I promise to laugh with you in good times and comfort you in bad.

I promise that you will never have to face anything alone.

I promise to cherish our union and to love you more each day than I did the day before.

I promise to trust you, respect you and protect you.

I give you my hand to hold and my heart to keep. May we never forget how we felt when we first stared into each other's eyes and when we shared our first kiss. May the bond that we make today never be broken and may it only continue to grow stronger for the rest of our lives. May it be the strength that binds us and our love until the end of all eternity. These are my solemn vows to you.

6

I choose you, again and again. At the start and the finish of every single day, no matter the season, no matter the year.

I choose you to struggle and succeed with, to fight and make up with, to love and grow old with.

I choose you, knowing there are still trails we must travel, knowing there are mountains left to climb.

I choose you, to always be by my side.

- poem by Tyler Kent White

7

I promise to remember that neither one of us is perfect, but will strive to remind myself of the ways we are perfect for each other.

I will kill the spiders.

I will share my chips with you when you've finished all yours and are still hungry.

I will never be rude to your tummy when I hear it growl and gurgle. I promise to bend down and reply respectfully.

I will eat the mushrooms when we order the supreme pizza.

I will kiss the paper cuts and the door-slammed finger and the counter-bumped hip.

I'll try my hardest not to get annoyed when you whisper questions and comments during movies.

I will send you random texts and leave you silly gifts. Not always, not on schedule, just whenever I want to, whenever I think you need one, or seven.

I will check your tyre pressure and remind you to take your car in.

I will be the big spoon. I will hold your hand. I will love you.

8

I promise to be your best friend. To have your back no matter what. To let you fight your own battles, but will tap in when you need help. I promise to share the covers and make sure I leave some hot water for you. To love your family as if they were my own. I promise to make sure I'm not just hungry before I yell. To not make you go to Disney World / my parents' house / [the same place] for every vacation. I promise to try new experiences as long as it doesn't have cheese / olives / anchovies on it. To hold your hand every chance I get. I promise to defend you to others, even if you are wrong. I promise to love you for the rest of my life.

9

I take you to be my best friend, my faithful partner, and my one true love. I promise to encourage you and inspire you and to love you truly through good times and bad.

I will forever be there to laugh with you, to lift you up when you are down and to love you unconditionally through all of our adventures in life together.

10

I take you to be my wife/husband, my partner in life and my one true love. I will cherish our friendship and love you today, tomorrow and forever. I will trust you and honour you, I will laugh with you and cry with you. I will love you faithfully through the best and the worst, through the difficult and the easy. Whatever may come I will always be there. As I have given you my hand to hold so I give you my life to keep.

11

Today I make the most sincere promise one heart can make to another.
I vow to be your constant love and support; your devoted partner in life.
I vow to allow myself to grow through your remarkable love for me.
I vow to be your home, to be your place of comfort and calm, to have faith when our journey is effortless, and when it is challenging.
And when we must face adversity, we will never do so alone.

Because today I promise you, my “person” and my best friend, that I will never give up, that I will always believe in us, and that I will love you completely for all of my life.

12

When I met you, I had no idea how much my life was about to be changed, but then, how could I have known? A love like ours happens once in a lifetime. You were a godsend to me, the one who was everything I had ever for, the one I thought existed only in my imagination. When you came into my life, I realised that what I had always thought was happiness couldn't compare to the joy loving you brought me. You are a part of everything I think and do and feel, and with you by my side, I believe that anything is possible. Because of you, I laugh, smile, and I dare to dream again. Thank you for the miracle of you. You are, and always will be, the love of my life. Today I give myself to you in marriage. I will love you, without reservation, cherish you and hold you in the highest regard. I will support you and comfort you, through life's joys and sorrows. I will encourage you, inspire you, and be honest and faithful to you. I will stand by your side, in sickness and in health, in an apocalyptic scenario or during a zombie invasion. These things I give to you today, and all the days of our life.

13

I vow to still grab your butt even when you're old and wrinkly. I promise to take care of you when you're old, but the first time you hit me with your cane, I'll wash your dentures in toilet water. I promise to fight by your side in the zombie apocalypse. And should you turn into one I promise to let you bite me so I can be one too. I promise to trust you even when we deviate from our grocery lists, GPS navigations, or life goals. I vow to value our differences as much as our common ground. I want to make good (and bad) decisions with you forever. I vow to love all of you. Snoring included.

14

(Name), from the moment I first saw you, I knew you were the one with whom I wanted to share my life. Your beauty, heart, and mind inspire me to be the best person I can be. I vow to be honest, caring and truthful, to love you as you are and not as I want you to be, and to grow old by your side as your love and best friend.

17

I, (Name), choose you, (Name), to be my wife/husband. In front of our friends and family gathered here I promise to love and cherish you throughout the good times and bad times. I promise to try to remember to put my dirty clothes in the hamper and to replace the toilet paper roll when it's empty. I promise to remember this day with love and roses. I will love you always.

18

I, (Name), choose you, (Name), to be my wife/husband. In front of our friends and family, I promise to love and cherish you through every obstacle that may come into our path. I promise to learn how to check the oil in my car and how to roll up a garden hose. I will comfort you when your team loses and drink beer with you when they win. I will love you always.

19

I vow to be the best parts of me that fit perfectly with the best parts of you
Although I will be imperfect, I pledge to be sensitive and respectful of your unique talents, abilities and quirks

Together we can accomplish more than either of us could alone
I believe in you, and I love you, forever.

20

I vow to snuggle you as often as possible
I vow to make you really really laugh out loud
I vow to always try one bite of any meal you create
I vow to be the best parts of me that fit perfectly with the best parts of you

21

Because of you, I laugh, I smile, I dare to dream again.
I look forward with great joy to spending the rest of my life with you, caring for you, nurturing you, being there for you in all life has in store for us, and I vow to be true and faithful for as long as we both shall live.

22

(Name), I take you to be my wife/husband from this time onward, to join with you and to share all that is to come, to be your faithful husband/wife, to give and to receive, to speak and to listen, to inspire and to respond; a commitment made in love, kept in faith, and eternally made new.

23

I, [Name] take you [name] to be my lawfully wedded spouse. I will love you and tolerate you from this day forward, in Man Cold and in PMS, in stacks of vintage Marvel collectible figurines and countless rentals of 'The Notebook', with a minimal amount of eye-rolling.

I promise not to erase your DVR / Foxtel downloads / recordings without asking.

I promise not to complain about the socks / bras you leave all over the house, or fart under the covers.

I promise to laugh at all the YouTube videos you show me while we sit on the couch trying to watch a movie, and I will cherish you, respect you, and try not to annoy you too much (but make up for it when I do), until death do us part.
